SUBSTANCE OF INTERVIEW

The following remarks are submitted in response to the Interview Summary mailed May 13, 2010. Applicants would like to thank Examiner Sims for granting an interview on May 12, 2010. The Examiner and Applicants' representative generally discussed the differences between the independent claims and the references, Ichikawa (Internal Medicine, July 2000, vol. 39, no. 7, pp. 523-524), Reinhoff et al. (U.S. Publication No. 2002/0049772), Fey et al. (U.S. Publication No. 2002/0038227), Fiedotin et al. (U.S. Patent No. 7,509,263) and Harris ("Probabilistic belief networks for genetic counseling", Computer Methods and Programs in Biomedicine, May 1990, vol. 32, pp. 37-44). Examiner Sims disclosed that he felt the proposed amendments would not be sufficient to overcome the cited references. Agreement with respect to the claims was not reached.

Respectfully submitted,

/ADRIENNE THOMPSON/
